

Design & Décor

Need assistance in designing your special celebration? A Stunning Affair's design team is here to help your vision come to life.

The designing process begins with an in depth consultation where we meet to brainstorm ideas, and go over a questionnaire, while browsing through magazines and pictures. Our team will then implement your design and present you with an amazing tablescape complete with candles, a floral centerpiece, linens and stationary. We will also provide you with a list of vendors and resources where you can purchase all of the items needed for designing your fabulous event.

This item can be added on to any package.
